This August 5th, and every year to follow the proceeds and donations from this event will benefit the The Mark Southern Memorial Scholarship.

This Scholarship is named for the late husband of one of our firefighter/paramedics. Mark was a friend to everyone who knew him and a great supporter of the Elburn & Countryside Fire Protection District.

Mark was part of our family.

This scholarship will be made available only to the children of Firefighters/EMTs/ and Paramedics that operate under MABAS Division 13 and the students of the Fox Valley Career Center's Fire Science Program.

Last year three(3) \$1,000 scholarships were awarded, and we hope to do the same this year.

Applications for this scholarship are available online at www.ecfpd.com.

This scholarship(s) will be awarded for the fall semester of 2010.

Applications will be processed and final decisions will be made by a committee of Firefighters/EMTs/Paramedics that operate in MABAS Division 13.

We encourage you to get your department involved.
